Whenever I'm down
You're always around me
You sit on my shoulder
And point out where I went wrong

Whenever I cry
You're always close by me
And I try to hide it but you find me

I know you want me to hurt myself
I know you want me to hurt myself
Somehow, somehow

Whenever I'm lost
You're there with cross
To see how long it takes
For me to go and pray

I know you want me to hurt myself
I know you want me to hurt myself
Somehow, somehow

Go out and find me
And Get off my back (x 3)

Whenever I'm down
You're always around me
You sit on my shoulder
And point out where I went wrong

I know you want me to hurt myself
I know you want me to hurt myself
Somehow, somehow
