we used to be so good
everthing was as it should
i love you you love me
and that would forever be
but im bored

i wanna run away now
i think im gonna fly away from here
i dont know wata say now
i dont know what i want are you truly here
so why wasiting
all of my time
dont what i want or what i need
skip back rewind

when i met i knew
we'd be together so true
but now i getting tired right now
gonna run away somehow

get out my way
dont no whata say
baby i dont wanna play
ur games i just wanna leave

i wanna run away now
i think im gonna fly away from here
i dont know wata say now
i dont know what i want are you truly here
so why wasiting
all of my time
dont what i want or what i need
skip back rewind

ohhh

get my way
gonna leave this very day
thought i
could bigger than this
but now
i remain

you never loved me now i see
i decree
that i never wanna you again
and i know for sure
no more

i wanna run away now
i think im gonna fly away from here
i dont know wata say now
i dont know what i want are you truly here
so why wasiting
all of my time
dont what i want or what i need
skip back rewind
rewind
skip back
rewind (run away)
