At first I was afraid, I was petrified
I kept thinking I could never live without you by my side
But then I spent so many nights
Just thinking how you'd done me wrong
I grew strong, I learned how to get along

And so you're back from outer space
I just walked in to find you here without that look upon
your face
I should have changed my fucking lock
I would have made you leave your key
If I'd have known for just one second,
you'd be back to bother me

Oh, now go walk out the door
Just turn around now, you're not welcome
anymore
Were you the one who tried to break me with
desire?
Did you think I'd crumble?
Did you think I'd lay down and die? Oh not I

I will survive, yeah
As long as I know how to love, I know I'll be
alive
I've got all my life to live, I've got all
my love to give
I will survive, I will survive, yeah, yeah

It took all the strength I had just not to fall apart
I'm trying hard to mend the pieces of my
broken heart
And I spent oh so many nights just feeling sorry for
myself
I used to cry but now I hold my head up high

And you'll see me with somebody new
I'm not that stupid little person still in love with
you
And so you thought you'd just drop by and you
expect me to be free
But now I'm saving all my lovin' for

someone who's lovin' me

Oh, now go walk out the door
Just turn around now, you're not welcome
anymore
Were you the one who tried to break me with
desire?
Did you think I'd crumble?
Did you think I'd lay down and die? Oh not I

I will survive, yeah
As long as I know how to love, I know I'll be
alive
I've got all my life to live, I've got all
my love to give
I will survive, I will survive, yeah, yeah
