"Building A Religion"

We are building a religion,
We are building it bigger
We are widening the corridors and adding more lanes
We are building a religion.
A limited edition
We are now accepting callers for these pendant
keychains
To resist it is useless,
It is useless to resist it
His cigerratte is burning but it never seems to ash
He is grooming his poodle
He is living comfort eagle
You can meet at his location but you'd better come with
cash

Now his hat is on backwards. He can show you his
tattoos
He is in the music buisness he is calling you "DUDE!"

Now today is tomorrow and tomorrow's today
And yesterday is weaving in and out
And the fluffy white lines that the airplane leaves
behind
Are drifting right in front of the waning of the moon

He is handling the money. He's serving the food
He knows about your party. He is calling you "DUDE!"

Now, do you believe in the one big sign?
The double wide shine on the boot hills of your prime
Doesn't matter if you're skinny. Doesn't matter if you're
fat.
You can dress up like a sultan in your onion-head hat

We are bulding a religion. We are making a brand
We're the only ones to turn to when your castles turn to
sand
Take a bit of this apple, Mr. Corporate Events
Take a walk through the jungle of cardboard shanties
and tents
Some people drink pepsi. Some people drink coke.
(coke)

The wacky morning d.j. says democracy's a joke.

He says now, "Do you believe in the one big song?"
He's now accepting callers who would like to sing along
He says, "Do you believe in the one true edge?"
By fastening your safety belts and stepping towards
the ledge

He is handling the money. He is serving the food.
He is now accepting callers. He is calling me "DUDE!"

Do you believe in the one big sign?
The double wide shine on the boot hills of your prime.
There's no need to ask directions if you ever lose your
mind
We're behind you. We're behind you.
And let us please remind you
We can send a car to find you
If you ever lose your way

We are building a religion...
We are building it bigger...
We are building..... a religion.....
A limited edition
We are now accepting callers for these beautiful
pendant keychains
