Too much carbon monoxide for me to bare  
Too much carbon monoxide for me to bare  
Where's the air?  
Where's the air?  
Where's the air?  
Where's the air?

Car after bus after car after truck  
After this my lungs will be so fucked up  
I wish I was in that Mercedes Benz  
Sealed away from my sins  
I'd have the music high going ninety five

Too much  
(Too much)  
Too much  
(Too much)  
Too much  
(Too much)

Too much carbon monoxide for me to bare  
Too much carbon monoxide for me to bare  
Don't you care?  
Don't you care?  
Don't you care?  
(Don't you?)  
Don't you care?

Car after bus after car after truck  
After this my lungs will be so fucked up  
I wish I wasn't just a pedestrian breathing all this in  
I look up at that grey sky  
It makes me want to

Too much  
(Too much)  
Too much  
(Too much)  
Too much  
(Too much)

Too much carbon monoxide for me to bare
