clouds hung hugely and oppressively
over our busy little cars
clouds hung hugely and oppressively
we didn't notice
we didn't care
we didn't notice

driving along in our luxury cars
down to our pretty city of stars
down to our pretty city of stars (stars in our eyes)
money in pockets (clouds on tv, tucked in their pocket)

you know
it would be easy
so easy
it would be easy
it would be easy
so easy
it would be easy to crash

school teachers, bakers, bankers, congressmen
stargazers didn't see a thing
stock brokers, singers, dancers, architects (stars in
our eyes)
we didn't notice
we didn't care (clouds on tv)
(tucked in the sockets)

you know
it would be easy
so easy
it would be easy
it would be easy
so easy
it would be easy to crash

(instrumental break)

it would be easy
so easy
it would be easy
it would be easy

so easy
it would be easy

it would be easy
so easy
it would be easy
it would be easy
so easy
it would be easy to crash
