Two, three, four

People you love  
Will turn their backs on you  
You'll lose your hair, your teeth  
Your knife will fall out of its sheath  
But you still don't like to leave  
Before the end of the movie

People you hate  
Will get their hooks into you  
They'll pull you down, you'll frown  
They'll tar you and drag you through town  
But you still don't like to leave  
Before the end of the movie  
No, you still don't like to leave  
Before the end of the show

People you hate  
Will get their hooks into you  
They'll pull you down, you'll frown  
They'll tar you and drag you through town  
But you still don't like to leave  
Before the end of the movie  
No, you still don't like to leave  
Before the end of the show
