"Half As Much"

Visit "[Half As Much](#)" on MotoLyrics.com

If you loved me half as much as I love you
You wouldnt worry me half as much as you do
Youre nice to me when theres no one else around
You only build me up to bring me down
If you missed me half as much as I miss you
You wouldnt stay away half as much as you do
I know that I would never be this blue
If you only loved me half as much as I love you
If you loved me half as much as I love you
You wouldnt worry me half as much as you do
Youre nice to me when theres no one else around
You only build me up to bring me down
If you missed me half as much as I miss you
You wouldnt stay away half as much as you do
I know that I would never be this blue
If you only loved me half as much
If you only loved me half as much
If you only loved me half as much as I love you
