Look, if you had one shot, or one opportunity  
To seize everything you ever wanted

In one moment  
Would you capture it or just let it slip?

His plams are sweaty, knees weak, arms are heavy  
There's vomit on his sweater already, mom's spaghetti  
He's nervous, but on the surface he looks calm and ready  
To drop bombs, but he keeps on forgettin  
What he wrote down, the whole crowd goes so loud  
He opens his mouth, but the words won't come out  
He's chokin, how everybody's jokin now  
The clocks run out, times up over, bloah!  
Snap back to reality, Oh there goes gravity  
Oh, there goes Rabbit, he choked  
Hes so mad, but he wont give up that easy  
No he wont have it,  
He knows his whole backs to these ropes  
It dont matter, he's dope  
He knows that, but he's broke  
He's so mad that he knows  
When he goes back to his mobile home, thats when its  
Back to the lab again yo  
This whole rap city  
Better go capture this moment and hope it dont pass  
him

HOOK:

You better lose yourself in the music, the moment  
You own it, you better never let it go  
You only get one shot, do not miss your chance to blow  
This opportunity comes once in a lifetime yo

His souls escaping, through this hole that is gaping  
This world is mine for the taking  
Make me king, as we move toward a, new world order  
A normal life is borin, but superstardoms close to post  
mortem

It only grows harder, hommie grows hotter  
He blows, it's all over these hoes is all on him  
Coast to coast shows, he's known as the globetrotter  
Lonely roads, God only knows  
He's grown farther from home, he's no father  
He goes home and barely knows his own daughter  
But hold yo
