I don't want to wonder  
If this is a blunder  
I don't want to worry whether  
We're gonna stay together  
'Till we die

I don't want to jump in  
Unless this music's thumping  
All the dishes rattle in the cupboards  
When the elephants arrive

I want to love you madly  
I want to love you now  
I want to love you madly, way  
I want to love you, love you  
Love you madly

I don't want to fake it  
I just want to make it  
The ornaments look pretty  
But they're pulling down the branches  
Of the Tree

I don't want to think about it  
I don't want to talk about it  
When I kiss your lips

I want to sink down to the bottom  
Of the sea

I want to love you madly  
I want to love you now, yeah  
I want to love you madly, way  
I want to love you, love you  
Love you madly

I don't want to hold back  
I don't want to slip down  
I don't want to think back to the one thing that I know I  
Should have done

I don't want to doubt you

Know everything about you  
I don't want to sit across the table from you  
Wishing I could run

I want to love you madly  
I want to love you now  
I want to love you madly, way  
I want to love you, love you  
Love you madly
