Okay, all right, oh no
This one, this one, this one

Heads of state who ride and wrangle
Who look at your face from more than one angle
Can cut you from their bloated budgets
Like sharpened knives through chicken McNuggets

Now, heads of state who ride and wrangle
Who look at your face from more than one angle
Can cut you from their bloated budgets
Like sharpened knives through chicken McNuggets

(Shut the fuck)
Up
Yo, shut the fuck up
(Shut the fuck)
Right, right, learn to buck up

(Shut the fuck)
Right, shut the fuck up, hey, ho
(Shut the fuck)
Now, now learn to buck up

1, 2, a-1, 2, 3, 4

Now, nimble fingers that dance on numbers
Will eat your children and steal your thunder
While heavy torsos that heave and hurl
Will crunch like nuts in the mouths of squirrels

Now, nimble fingers that dance on numbers
Will eat your children and steal your thunder
While heavy torsos that heave and hurl
Will crunch like nuts in the mouths of squirrels

(Shut the fuck)
Up
Yo, shut the fuck up
(Shut the fuck)
Right now learn to buck up

(Shut the fuck)
Right, shut the fuck up yeah, ho, yow
(Shut the fuck)
Yow, yow, yow
Learn to buck up

Now, simple feet that flicker like fire
And burn like candles in smoky spires
Do more to turn my joy to sadness
Than somber thoughts of burning planets

Now, clever feet that flicker like fire
And burn like candles in smoky spires
Do more to turn my joy to sadness
Than somber thoughts of burning planets

(Shut the fuck)
All right, okay
I don't wanna
(Shut the fuck)
I don't wanna hear it that's right
(Shut the fuck)

Oh no, okay, I don't wanna
(Shut the fuck)
I don't wanna
(Shut the fuck)
Yeah, ho, yow
(Shut the fuck)
I don't wanna, I don't wanna

Ooh, ooh, ooh, ooh, ooh, ooh
