Stickshifts and safetybelts,  
Bucket seats have all got to go.  
When we're driving in the car,  
It makes my baby seem so far.  
I need you here with me,  
Not way over in a bucket seat.  
I need you to be here with me,  
Not way over in a bucket seat.  
But when we're driving in my Malibu,  
It's easy to get right next to you.  
I say, "Baby, scoot over, please."  
And then she's right there next to me.  
I need you here with me,  
Not way over in a bucket seat.  
I need you to be here with me,  
Not way over in a bucket seat.

Well a lot of good cars are Japanese.  
But when we're driving far,  
I need my baby,  
I need my baby next to me.

Well, stickshifts and safetybelts,  
Bucket seats have all got to go.  
When we're driving in the car,  
It makes my baby seem so far.  
I need you here with me,  
Not way over in a bucket seat.  
I need you to be here with me,  
Not way over in a bucket seat.
