Stickshifts and Safetybelts, bucket seats have all got to go

When we're driving in the car, it makes my baby seem so far

I need you here with me not way over in a bucket seat

I need you to be here with me not way over in a bucket seat

But when were driving in my Malibu, its easy to get right next to you

I say baby scoot over please and then she's right there next to me

I need you here with me not way over in a bucket seat

I need you to be here with me not way over in a bucket seat

Alright, well a lot of good

carsâ€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦â€¦Are Japanese

Bet when were driving far, I need my baby, I need my baby next to meâ€¦..

Huh Huh

Well, Stickshifts and Safetybelts, bucket seats have all got to go

When we're driving in the car, it makes my baby seem so far

I need you here with me not way over in a bucket seat

I need you to be here with me not way over in a bucket seat

(Ow no, alright)
