You keep pushin' me away  
In spite of what you say  
I found out yesterday  
That I've been wastin' all my time  
Tryin' to make you smile

Tryin' to make this seem worthwhile  
You've been pushin' me around  
In spite of what I do  
Tryin' to make things good for you

Take your economy car and your suitcase  
Take you psycho little dogs  
Take it all away  
Hey haa

You've been racin' through my mind  
You're pickin' up in speed  
You're drivin' recklessly  
It's like a car crash  
Happenin' on my street broken bodies at my feet  
And sirens on the way

They're too late  
'Cuz nobody's going to save us  
We're rubber neckers dream  
We're burning gasoline

Go  
Take your economy car and your suitcase  
Take you psycho little dogs  
Take it all away  
Aa hey haa  
Aa hey haa  
Yeah haa  
Haa haa

And go  
Go ahead and destroy this  
Better come with an army  
Are you feelin', feelin' okay, baby?  
Nana nana nana nana nana

Nana nana nana nana nana

Take your economy car and your suitcase

Take you psycho little dogs

Take it all away

Aa hoo hoo

Aa hoo

Hey aa yes

Okay okay

Yes

Ohh [Incomprehensible]
