Who draws the crowd, who plays so loud?  
Baby, it's the guitar man  
Who's gonna steal the show, you know?  
Baby, it's the guitar man

He can make you love  
He can make you cry  
He will break you down  
An' he will get you high

And something keeps him going  
Miles and miles away  
To find another place to play

And night after night, who treats you right?  
Baby, it's the guitar man  
And who's on the radio, you know?  
Baby, it's the guitar man

When he comes to town  
And you see his face  
And you think you might  
Like to take his place

Something keeps him drifting  
Miles and miles away  
Searching for the songs to play

Then you listen to the music and you'd like to sing  
along  
And you want to get the meaning out of each and every  
song  
And you find yourself a message and some words to  
call your own  
And take 'em home

[Incomprehensible]

Ya  
Ohh, ho

He can make you love  
He can get you high

And he will bring you down  
He will make you cry

Something keeps him moving  
But no one seems to know  
What it is that makes him go?

Then the lights being to flicker and the sound is getting  
dim  
The voice begins to falter and the crowds are getting  
thin  
But he never seems to notice  
He's just gotta find another place to play

Anyway  
Got to play  
Anyway  
Aaa aaa  
...
