Up so close  
I never get to see your face  
Microscope  
I might as well be out in space

Up so close  
I never get to see the view  
Down your throat  
I'm never sure if it's still you

Up your nose  
Down to your toes  
In your mouth  
Way down south

Up so close  
It seems I only think of you  
Up so close  
I never see the sky so blue

I only wanted to be sure  
That what it was, was really pure  
I put my face down in the cake  
My feet were flailin' in a lake

Up so close  
I never get to see your face  
Microscope  
I might as well be out in space  
Up so close, beautiful

Up so close  
I never get to see you  
Microscope  
I'm never sure if it's still you  
Oh, alright  
Ohh hoh  
Hoh, so sad  
It's so sad  
Put on the music  
Let's go  
Come on

Let's play  
Mama say
