In a wooden boat in the shipping lanes  
With the freighters towering over me  
I can hear the jets flying overhead  
Making lines across the darkening sky  
And when the sun is going down  
I can take a taxi into town  
And the waiter at the restaurant  
Sets a table just for one

Wheels keep on spinning round  
spinning round, spinning round  
Wheels keep on spinning round  
Spinning round and round

Okay

So I had a plane to take me to  
A place so far away from you  
Eventually we began to see  
That we could be completely free  
And I could get away from you  
And you could get away from me  
And we could live each separately  
In our cities in the sun

Wheels keep on spinning round  
Spinning round, spinning round  
Wheels keep on spinning round  
Spinning round and round

Hey hey  
Okay, alright

In a seedy karaoke bar  
By the banks of the mighty Bosphorus  
Is a Japanese man in a business suit  
Singing, smoke gets in your eyes  
And the muscular cyborg German dudes  
Dance with sexy French-Canadians  
While the overweight Americans  
Wear their patriotic jumpsuits

Wheels keep on spinning round  
Spinning round, spinning round  
Wheels keep on spinning round  
Spinning round and round

Alright, hey  
It's alright, hey  
This one right, hey

Wheels keep on spinning round  
Spinning round, spinning round  
Wheels keep on spinning round  
Spinning round and round  
I don't know  
Why you say you are not in love with me?
