Time has run out, for me,  
Everything's distant  
And I don't know what to believe  
It's so hard,  
Lost in the world's confusion  
And I need to leave  
For awhile, life is so meaningless  
There is nothing worth a smile  
So goodbye, I'll miss you

And I'm sorry,  
But this is my fate,  
Everything is worthless,  
No one who wants me to stay

And I'm sorry,  
But I've waited too long,  
So here's my goodbye,  
No one will cry over me,  
I'm not worth any tears

It's been the years of abuse,  
Neglected to treat the disorder  
That's controlled my youth  
For so long,  
I'm in a fleshy tomb buried  
Up above the ground

It's no use,  
Why should I hold on

It's been five years  
Don't need one more  
So goodbye, life's abuse

And I'm sorry,  
But this is my fate,  
Everything is worthless,  
No one who wants me to stay

And I'm sorry,  
But I've waited too long,

So here's my goodbye,  
No one will cry over me,  
I'm not worth any tears

Every 18 minutes,  
Somebody dies from a suicide  
Every 43 seconds,  
Somebody attempts one

And I'm sorry,  
But this is my fate,  
Everything is worthless,  
No one who wants me to stay

And I'm sorry,  
But I've waited too long,  
So here's my goodbye,  
No one will cry over me,  
So here's my goodbye,  
No one will cry over me,  
I'm not worth any tears
