Well here we are at the
Base of the sunset
Here we are, here we are
This I won't forget

As the night slowly
Creeps up our backside
I'm so blessed that you're
Here with me tonight
Cause it feels so right (Cause it feels so right)

How did I fall so in love with you?
How did I fall so in love with you?

Baby I'm crazy for you
And I always will be
Here in this moment for two
So let's pack our bags and
Runaway, well runaway... runaway

Well here we are at the
Start of the sunrise
Here we are, here we are
After a perfect night

Take my hand as we walk
Towards the sunlight
Holding back all the words
That we should say
But it's too perfect

How did I fall so in love with you? (How did I get so

Lucky?)
How did I fall so in love with you? (How did I get so
Lucky?)
How did I fall so in love with you?
You gotta tell me how I got this lucky
How did I fall so in love...

Baby I'm crazy for you

And I always will be
Here in this moment for two
So let's pack our bags and
Runaway, we'll runaway... we'll runaway

How did I fall so in love with you? (How did I get so
Lucky?)
How did I fall so in love...

Baby I'm crazy for you
And I always will be
Here in this moment for two
Cause it feels so right with you
With you, with you (You gotta tell me how I got this
Lucky)
Here with you, with you, with you
