I heard you call my name for the last time.
I tried to tell myself it'll all be fine.
But I cannot lie No I rather die. Than be alone.
Things are just the way that they're supposed to be.
All I wanted was for you to love me.
But as time went pass you went out so fast.
Now Im alone.
But I never wanted to be alone.
I always wanted you for me to hold.
I dont know what I should do 'cause now I lost you.
I wish you wouldnt have been so good to lose.
Everything we had ripped my heart in two.
What else can I say Will you please just stay?.
What did I do?.
But I never wanted to be alone.
I always wanted you for me to hold.
I don't know what I should do 'Cause now I lost you.
