### "Can't Cash My Checks"

I'm up every morning  
Before the sunshine comes rolling in  
When that rooster starts crowing  
It just reminds me that I need to feed him

Every day is the same  
But every day is different  
'Cause every day I grow  
Deeper in debt

And you can't cash my checks  
And you can't feel this hunger  
You can push me into the water  
But you can't hold me under

You can bring me down  
But you can't make me beg  
You can take my word  
But you can't cash my checks

It's so hard to stay honest  
In a world that's headed to hell  
You can't make a good living these days  
'Cause the truth just don't sell

So if you go out my back door  
Just over the hill  
You'll see all these plants  
That's been paying my bills

But you can't cash my checks  
And you can't feel this hunger  
You can push me into cold water  
But you can't hold me under

You can bring me down  
But you can't make me beg  
You can take my word  
But you can't cash my checks

You can bring me down  
But you can't make me beg  
You can take my word  
But you can't cash my checks

You can take my word  
But you can't cash my checks
