I'm sorry a phone call  
Is the best I could do at this time  
You're busy

But this on again, off again  
It's starting to mess with my mind  
So baby

Cover your eyes  
It can't hurt forever  
Soon I won't ever  
Cross your mind

Cover your eyes  
If you don't see me goin'  
There's no way of knowin'  
When it's time to cry  
Cover your eyes

Darling, if you wake up tomorrow  
And everything seems  
Different

If I only exist as a name  
On your telephone screen  
Well, hey, listen

Cover your eyes  
It can't hurt forever  
Soon I won't ever  
Cross your mind

Cover your eyes  
If you don't see me goin'  
There's no way of knowin'  
When it's time to cry  
Cover your eyes

Cover your eyes  
It can't hurt forever  
Soon I won't ever  
Cross your mind

Cover your eyes  
If you don't see me goin'  
There's no way of knowin'  
When it's time to cry  
Cover your eyes
