### "Heartache"

I was born by fire in a cold dark cave  
In the age of the dinosaur  
When a cave man caught his cave woman lovin'  
On the missing link livin' next door  
There was cryin' and screamin' and war drums a  
beatin'  
And a wave o' violence  
None o' them folks survived but me  
And I been hangin' 'round ever since

'Cause I'm a heartache never see me comin'  
I'll always take you by surprise  
I'm a heartache hungry and huntin'  
Someone I can eat alive  
By the time you know I'm on you  
Buddy it's too late  
I'm a heartache (heartache)

I watched you takin' off tonight  
And I knew where you were headed to  
I saw that sweet young thing you met  
At that dirty ol' motel room  
'ell I'm gnawin' on your pretty little wife  
Waitin' up for you at home  
You don't even know it but I'm just savin' you for later  
When I can getcha all alone

Yeah, I'm a heartache never see me comin'  
I'll always take you by surprise  
I'm a heartache hungry and huntin'  
Someone I can eat alive  
By the time you know I'm on you  
Buddy it's too late  
I'm a heartache (heartache)

From Anthony and Cleopatra  
Samson and Delilah  
To Jackie and JFK  
To Elvis and Priscilla  
Charles and Diana

I'd say I've had some pretty good days  
And you may not believe it  
But you and me son  
Are 'bout to have some real fun  
'cause I'm comin'...ah I'm comin'

I'm a heartache never see me comin'  
I'll always take you by surprise  
I'm a heartache hungry and huntin'  
Someone I can eat alive  
By the time you know I'm on you  
Buddy it's too late  
I'm a heartache (heartache)  
I'm a heartache (heartache)  
I'm a heartache (heartache)
