#### Verse 1:

I have slept on satin sheets  
Dined with kings on wine so sweet  
Made my bed out in the street  
Living for a song

I spent a lifetime on the road  
Like desperadoes chasing gold  
I've been bought and I've been sold  
Living for a song

#### Chorus:

Life's so full of melodies  
With words that rhyme and harmonies  
Till I write mine I'll always be  
Living for a song

#### Spoken:

I came to town a long time ago  
And it's really been good to me as you all know  
But all of us rhyme runners and word hunters  
Have some things that we've been through  
So I wrote this song hoping I could tell some of 'em  
to you.

#### Verse 2:

I have slept on life's highway  
Muddy tears staining my face  
A rhyme or two was a big payday  
Living for a song

Using words from my life line  
Forsaking all just for a rhyme  
Building steps I know I can't climb  
Living for a song

#### Chorus:

Life's so full of melodies  
With words that rhyme and harmonies  
Till I write mine I'll always be  
Living for a song
