Go and find a world
Where my name has never been said
And say it there
Let it ring like a song
Ring like a song
Go and find a world
Where my face has never been shown
And show it there
Let it shine like the sun
Shine like the sun
I am with you always
I am with you always
For all this life
And even in death
I am with you always
Go and find a world
Where my word has never been said
And say it there
Let truth fall like the rain
Fall like the rain
Go and find a world
Where my love has never been shown
And show it there
With a love that is pure
Love that is pure
