If, I expected love
When first we kissed, blame it on my youth
If only just for you
I did exist, blame it on my youth

I believed in everything
Like a child of three
You meant more than anything
You meant all the world to me

If, you were on my mind
All night and day, blame it on my youth
If, I forgot to eat
And sleep and pray, blame it on my youth

If I cried a little bit
When first I learned the truth
Don't blame it on my heart
Blame it on my youth
