Voy a romper la ventana que nos separa
Colarme bailando en tu casa.
Ojos azules, marrones o verdes
Vidas en bares de cielos celestes
Somos millones y te sigo y me sumo
Seamos ciudadanos de un lugar llamado mundo

I will meet you by the city
When it's lit up by the stars
In the moonlight we're all pretty
Cause it papers all the scar
Ever feel like you belong
To the story you've heard
Doesn't matter if it's your song
and you don't know all the words

We should put up the sun,
We are citizens of all you can see,
We've got nothing but time
You'll find everything you didn't do
Everything you didn't do
Standing right in front of you

Ciudadanos de este mundo
Compañeros al andar
Cada día una aventura
Caminamos al compás

Hoy todo lo que pienso, todo lo que hago, todo lo que canto es tuyo
Hoy todo lo que dices, todo lo que tocas, todo lo que crees es suyo
Hoy sólo damos sueños, sólo que sonrías, sólo que no frunzas el ceño.
Sólo somos uno, somos ciudadanos de un lugar llamado mundo.

We should put up the sun
We are citizens of all you can see,
We've got nothing but time

'cause you'll find everything you didn't do
Everything you didn't do
Standing right in front of you

I don't even know what to say about everything
Cause I'm tired and i want to go sleep

It's so clear now

It's so clear now

It's so clear now

It's so clear now

It's so clear now

It's so clear now

And you'll find

everything you didn't do....

everything you didn't do...

everything you didn't do...

Una melodía a dispar, no hay límite tenemos el mismo destino,
un trazo fino diferente estilo, de aquí y de allá; con un mismo sino,
queremos aire y sentirlo juntos aunque vengas lluvias
y defienda tiempos, unimos aquello que nos hace diferentes
no hay barreras que separen gentes.

Ahhhh,

Ahhhh, aaahh ooh

Sonrían los planetas,

Cruzamos las estrellas,

Esta noche seguiremos dando vueltas.

Submitter's comments:Â

Como no hay ninguna letra oficial de esta canción, he extraído varias de internet y corregido unos cuantos versos. Así es, no puedo asegurar su fiabilidad al 100%
