So tenderly  
Your story is  
Nothing more  
Than what you see  
Or  
What you've done  
Or will become  
Standing strong  
Do you belong  
In your skin  
Just wondering

Gentle now  
The tender breeze  
Blows  
Whispers through  
My Gran Torino  
Whistling another  
Tired song

Engine humms  
And bitter dreams  
Grow heart locked  
In a Gran Torino  
It beats  
A lonely rhythm  
All night long  
It beats  
A lonely rhythm  
All night long  
It beats  
A lonely rhythm  
All night long

Realign all  
The stars  
Above my head  
Warning signs  
Travel far  
I drink instead  
On my own  
Oh, how I've known

The battle scars  
And worn out beds

Gentle now  
A tender breeze  
Blows  
Whispers through  
A Gran Torino  
Whistling another  
Tired song

Engines humm  
And bitter dreams  
Grow  
Heart locked  
In a Gran Torino  
It beats  
A lonely rhythm  
All night long

These streets  
Are old  
They shine  
With the things  
I've known  
And breaks  
Through  
The trees  
Their sparkling

Your world  
Is nothing more  
Than all  
The tiny things  
You've left  
Behind

So tenderly  
Your story is  
Nothing more  
Than what you see  
Or  
What you've done  
Or will become  
Standing strong  
Do you belong  
In your skin  
Just wondering

Gentle now  
A tender breeze

Blows  
Whispers through  
The Gran Torino  
Whistling another  
Tired song  
Engines humm  
And bitter dreams  
Grow  
A heart locked  
In a Gran Torino  
It beats  
A lonely rhythm  
All night long

May I be  
So bold and stay  
I need someone  
To hold  
That shudders  
My skin  
Their sparkling

Your world  
Is nothing more  
Than all  
The tiny things  
You've left  
Behind

So realign  
All the stars  
Above my head  
Warning signs  
Travel far  
I drink instead  
On my own  
Oh  
How i've known  
The battle scars  
And worn out beds

Gentle now  
A tender breeze  
Blows  
Whispers through  
The Gran Torino  
Whistling another  
Tired song  
Engines humm  
And better dreams  
Grow

Heart locked  
In a Gran Torino  
It beats  
A lonely rhythm  
All night long  
It beats  
A lonely rhythm  
All night long  
It beats  
A lonely rhythm  
All night long
