"Just One Of Those Things"

I am sorry to say I didn't know her name
The fact the last 6 hours are a haze
Piecing together the fragments of a frame
why my motorskills are out of face
I feel like I've woken in a maze
Though we've never met before
baby I am sure

It was just one of those things
Just one of those crazy flings
One of those bells that now and then rings
It was one of those things

It was just one of those nights
Just one of those fabulous flights
A trip to the moon on gossamer wings
It was one of those things

If we'd thought a bit about the end of it
When we started jumpin' town
We'd have been aware that our love affair
Was too hot not to cool down

So good-bye, good-bye and amen
Here's hopin' we'll meet now and then
It was great fun
But it was just one of those things (one of those things)

[Solo]

Yeah--ahh,
If we'd thought a bit 'bout the end of it
When we started to bust up the town
We'd have been aware that this love affair
Was too hot not to cool down

So good-bye, good-bye and amen
Here's hopin' we'll meet now and then
It was great fun
But it was just one of those things
