I find treasure under every stone
I make other people's songs sound like they're my own
I turn stories into 24 karat gold
I keep my worries buried deep within my soul
'Cause I'm just a liar like you
A liar like you

I got women all around the globe
and I'm captain of the football team at home
Now will I ever ever tell you the truth?
Well that depends on what the truth means to you
'Cause I'm just a liar like you
A liar like you

Oh I want to lose myself in a beautiful lie
Something or anything, maybe a song that shows my
best side
'Cause I'm just a liar like you
A liar like you
I'm just a liar like you
