Long as you're lookin' good...

You can win the admiration,
Of the current population,
You can be star,
Long as you're lookin' good!

You have made the main connection,
You can win the next election,
Don't care who you are,
Just leave them mesmerised, give their eyes a picture
to play with,
And you will be so surprised at how much you can get
away with!
Long as you're lookin' good!

Let that be your main credential,
You'll get treatment preferential,
It's a rule that's still essentially iron-clad,
Remember you can' look bad,
Long as you're lookin' good!

[instrumental]

You can tell the world to shove it,

Show 'em crap and make 'em love it!
Uh!
You can run their life,
Long as you're lookin' good!

They'll believe you walk on water,
Even trust you with their daughter,
Sometimes with their wife,
Don't have to know a thing, just look like you're a
sensation,
Don't have to dance or sing to get that standing
ovation!
Long as you're lookin' good!

You can show up late for dinner,
Play the saint or play the sinner,

A blag, a crank, a rank beginner,
Or just a cad!
Remember you can't look bad,
Long as you're looking good!
Long as you're soundin' good!
