### VERSE ONE:

Everyone knows that I'm rightfully yours  
So bring out your dirt from your previous wars  
So lay thee to rest  
'Cause I'm chasing away all the dust that you're leaving  
behind

### CHORUS:

Because Love ain't gonna let you down  
Love ain't gonna let you down no more (hmm)  
Because Love ain't gonna let you down  
Love ain't gonna let you down no more

'Cause I'll turn your world around  
And love ain't gonna let you down (hm)

### VERSE TWO:

So you wear your heart like a brooch for all to see  
But the blood that pumps through  
So will you save that for me  
I've sweetened my tongue  
And I've sharpened my words and my wit  
And I've written my lines

### CHORUS:

Because Love ain't gonna let you down  
Love ain't gonna let you down no more  
Because Love ain't gonna let you down  
Love ain't gonna let you down no more

'Cause I'll turn your world around  
And love ain't gonna let you down (hm)

### BRIDGE:

Feel it burning like a bomb raging  
A thousand summers grazing on your skin  
Restlessly anticipating so many tiny things

#something like this (I know it doesn't make sense  
#but perhaps somebody can complete these lines! )  
Think as you'll love and I saw  
I'll be your for peace, well, at the war

Do you dream about for  
Busting with all other ways of a million rhymes

CHORUS (2x)
