Next year
Things are gonna change
Gonna drink less beer
And start all over again

Gonna read more books
Gonna keep up with the news
Gonna learn how to cook
And spend less money on shoes

Gonna pay my bills on time
File my mail away, everyday
Only drink the finest wine
And call my gran every Sunday

Well resolutions
Well baby they come and go
Will I do any of these things?
The answer's probably no

But if there's one thing, I must do

Despite my greatest fears
I'm gonna say to you
How I've felt all of these years

I'm gonna tell you how I feel
I'm gonna tell you how I feel

Well, resolutions
Baby they come and go
Will I do any of these things?
The answer's probably no

But if there's one thing, I must do
Despite my greatest fears
I'm gonna say to you
How I've felt all of these years
