Ain't thinking 'bout love today
Lost in the sunlight
Walking down memory lane

Ain't thinking 'bout you today
People from the past that I knew
Are slowly slipping away
Seems so long ago
Since we were carefree

Photographs lost in time are all I see
A pointless nostalgic-
That's me
That's me

Thoughts running round my head today
Times from the past popping up where they're from I
don't know
Reminiscing my cares away
Wishing I could go back and change the points that
were low

Till I've realised what life's meant to be

Photographs lost in time are all I see
A pointless nostalgic;
That's me
That's me

Reminiscing my cares away
Wishing I could go back and change the points that
were low
Till I've realised what life's meant to be

Photographs lost in time are all I see
A pointless nostalgic;
That's me
That's me

It's all I'll ever be
It's all I'll ever be
Cause that's me

It's all I'll ever be
Cause that's me
