Lets go and throw
All the songs we know...

Into the sea
You and me
All these years that no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats
We missed you hissed the lovecats

We move like cagey tigers (oh)
We couldn't get closer than this
The way we walk
The way we talk
The way we stalk
The way we kiss
We slip through the streets
While everyone sleeps
Getting bigger and brighter and wider
We bite and scratch and scream all night
Let's go and throw
All the songs we know...

Into the sea
You and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats
We missed you hissed the lovecats

So wonderfully wonderfully wonderfully
Wonderfully pretty!
You know that I'd do anything for you
We should have each other for dinner
We should have each other with cream
Then curl up by the fire
Get up for awhile
It's the grooviest thing
It's the perfect dream

Into the sea

You and me
All these years that no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats
We missed you hissed the lovecats

(Instrumental)

...into the sea
You and me
All these years that no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats
We missed you hissed the lovecats

We move like cagey tigers (oh)
We couldn't get closer than this
The way we walk
The way we talk
The way we stalk
The way we kiss
We slip through the streets
While everyone sleeps
Getting bigger and brighter and wider
We bite and scratch and scream all night
Let's go and throw
All the songs we know...

Into the sea
You and me
All these years that no one heard
I'll show you in spring
It's a treacherous thing
We missed you hissed the lovecats
We missed you hissed the lovecats
