We Run Things

We run things another way,  
We run things another way,  
Getting love if you can love (yeah)  
Getting love if you can love (yeah)  
Nothing left for you to say,  
Trouble melts and ridence stays,  
Don't stop 'coz it's getting tense now.

We run things another way,  
We run things another way,  
I draw a face on a dartboard (yeah)  
I wear it out like a record (yeah)  
Tierd eyes an' razor blades,  
Tearing through a radio wave,  
Don't stop 'coz it's getting tense now

'Coz I'm trying to hold on to something, Yeahh,  
'Coz if you let me,  
I'll show ya  
I'll do it, can ya' hear it?  
We run things another way,  
We run things another way,  
We run things another way,  
We run things, another way.

We run things another way,

We run things another way,  
Get on top 'coz I'm falling (yeah)  
I never stop with your calling (yeah)  
I shiver now I feel the raise,  
I batter time and wasted days,  
Don't stop if ya wanna tense now

'Coz I'm trying to hold on to something, Yeahh,  
'Coz if you let me,  
I'll show ya  
I'll do it, can ya' hear it?  
We run things another way,  
We run things,  
I'm trying to hold on to something, yeah,

'Coz if you let me,  
I'll show ya  
I'll do it, can ya' hear it?  
We run things another way,  
We run things another way,  
We run things another way,  
We run things, another way.

(Then a bit of "Scat-Singing) xD
