What a difference a day made  
Twenty-four little hours  
Bought the sun and the flowers  
Where there used to be rain

My yesterday was blue dear  
Today I'm a part of you dear  
My lonely nights are through dear  
Since you said you were mine

Oh, and what a difference a day made  
There's a rainbow before me  
Skies above can't be stormy  
Since that moment of bliss that thrilling kiss  
It's heaven when you find romance on your menu  
What a difference a day made  
And the difference is you, is you

My yesterday was blue dear  
Still I'm a part of you dear  
My lonely nights are through dear  
Since you said you were mine

Oh, and what a difference a day makes  
There's a rainbow before me  
Skies above can't be stormy  
Since that moment of bliss that thrilling kiss  
It's heaven when you find romance on your menu  
What a difference a day made  
And the difference is you, is you, is you
