What a difference a day made, twenty four little hours
Brought the sun and the flowers where there use to be
rain
My yesterday was blue dear
Today I'm a part of you dear
My lonely nights are through dear
Since you said you were mine
Oh, what a difference a day made
There's a rainbow before me
Skies above can't be stormy since that moment of bliss
That thrilling kiss
It's heaven when you find romance on your menu
What a difference a day made
And the difference is you, is you

My yesterday was blue dear

Still I'm a part of you dear
My lonely nights are through dear
Since you said you were mine
Oh, what a difference a day made
There's a rainbow before me
Skies above can't be stormy since that moment of bliss
That thrilling kiss
It's heaven when you find romance on your menu
What a difference a day made
And the difference is you, is you, is you
