Everyday you live a life so full of hope
Shouldn't drag your soul around you like a leather
vogue
You remember everything you thought your life would
be
Well its fallin through the craks of ancient history

Oh, Is this something that I never, something that i
never had
Oh, Is this something that I never, something that i
never had
Tell you what I've heard
The wheels are falling off, the wheels are falling off the
world
Friday night and everything is a ok
We are living like we've always known a different way
We are taking on our different roads before our goal
It'll bring you back around to the one you know

Oh, Is this something that I never, something that i
never had
Oh, Is this something that I never, something that i
never had
Tell you what I've heard
The wheels are falling off, the wheels are falling off the
world
