Jamie Foxx- Baby, Baby, Damn.

Damn, Oohhhh, Damn, Baby, Baby, Damn, Baby want to say Damn, Whoo, Damn Baby, Baby, Damn.

You're the kind of dancer a nigga could be,
We started in the club, and straight to the hot tub,
You put the freaking body all up on me,
And I couldn't get enough, every time I can't get enough,

She break it down on me,
She do freaky things for me,
Something about this shawty,
I don't usually swear, but baby, baby, damn,
Have never been turned down,
But baby now I am,
I thought I was going lazy? once I got in it,
But I've been a daze since the last time that I hit it,
Oh, baby, baby, damn,
You slip them clothes of real slow,
Oh, baby, baby damn,
I shiver when I'm down low,
And I can't run like a lion, I aint killa,??
Best thing since Thriller,
Thought I was the man but baby, baby, damn.

I'm tripping of those things you did to me,
Girl you was on a mission,
Working all them positions,
Aint nobody done that much to me,
All the touching a kissing,
All the rubbing and licking,

She break it down on me,
She do freaky things for me,
Something about this shawty,
I don't usually swear, but baby, baby, damn,
Have never been turned down,
But baby now I am,
I thought I was going lazy once I got in it,

But I've been a daze since the last time that I hit it,
Oh, baby, baby, damn,
You slip them clothes of real slow,
Oh, baby, baby damn,
I shiver when I'm down low,
And I can't run like a lion, I aint killa,??
Best thing since Thriller,
Thought I was the man but baby, baby, damn

Something's wrong,
I think I'm going crazy, (damn)
Can't go on, I'm thinking what you done to me,
Lost a bit and I can't find my way out,
Oh, that ghetto booty got breaking down,
Now I got to get it up but it's alright,
Now I can't get enough, so let's just ride it out tonight,

I don't usually swear, but baby, baby, damn,
Have never been turned down,
But baby now I am,
I thought I was going lazy? once I got in it,
But I've been a daze since the last time that I hit it,
Oh, baby, baby, damn,
You slip them clothes of real slow,
Oh, baby, baby damn,
I shiver when I'm down low,
And I can't run like a lion, I aint killa,??
Best thing since Thriller,
Thought I was the man but baby, baby, damn.
Baby, baby, damn,
Have never been turned down,
But baby now I am,
I thought I was going lazy? once I got in it,
But I've been a daze since the last time that I hit it
Oh, baby, baby, damn.
