No rules in this game niggs doin they thang

See me watchin for the people cuz they ready to slang

Blowin dro' in Bahamas so that pineapple plate

Couldn't give us six cars for the money we make

Smoothe baller 22s in they hip

Smoke dro minks, haze and a spliffs

I'm in the heat of the cloud that's how it's goin down

A D-boy getting cheddar and I'm from uptown

[Chorus - Gilly]

Always poppin never stoppin

Glocks cockin, body droppin

Colla poppin, nigga knockin

Everybody give me space, back up

Everybody give me space, back up

Always poppin never stoppin

[Mannie Fresh](Gilly)

(Why you got that gun nigga?) Cuz I can  
Woke up in the club with the bitch in my hand  
Everybody lay down, stay down

Everybody else just back back

Fightin, bitin, niggas got to rustilin  
Throwin big chairs, pushin down stairs  
Disrespectin hos pullin out weave hairs  
But this one ho nobody know pull out the fo fo  
Made niggas lay it down on the floor  
That's when the police came  
The fire engine truck and the ambulance  
Bitch still bustin shots like Jesse James  
Big Money Heavyweight nigga I ain't playin  
The bitch was trill caught two to the grill  
One in the head damn lil' one dance

[Chorus - Gilly](Juvenile)

Always poppin never stoppin  
Glocks cockin, body droppin  
Colla poppin, nigga knockin  
Everybody give me space, back up

Always poppin never stoppin  
Glocks cockin, body droppin  
Colla poppin, nigga knockin (uh uh)

Bringin back the era of the criminal  
Look I got my own scene, got my own scheme  
Got killas so basically I'm doin my own thing  
I drive a 7-6-0 strapped up waitin at the light for the  
hero  
It's kinda hot outside niggas done shot blue eyes  
That's fucked up cuz my connect dropped me 5  
I'ma excersize my right to get this cheese  
I don't have to put in work nigga my bitch will squeeze

I ain't positive I'm a black man  
So watch your mouth playa cuz you can catch a back  
hand  
Heh!

[Chorus - Gilly]  
Always poppin never stoppin  
Glocks cockin, body droppin  
Colla poppin, nigga knockin  
Everybody give me space, back up  
Everybody give me space, back up  
Always poppin never stoppin  
Glocks cockin, body droppin  
Colla poppin, nigga knockin  
Everybody give me space, back up
