I think you better wise up
Cause I'm about to rise up

So act right gon show me back it up now put it on me
Act right gon show me back it up now put it on me

Now what you wanna do you wanna get high you wanna

Now what you wanna do you wanna get sex you wanna

I think you better wise up
Cause I'm about to rise up

Now what you wanna do you wanna get high you wanna
get fired up
Now what you wanna do you wanna get sex you wanna
get tied up
Get yo rodeo ride up
Baby go lift them thighs up
I think you better wise up
Cause I'm about to rise up

Your body
Show me how you use it
We gon pop some champagne
And listen to some music
And once we get our clothes off
Wrap yo legs around my shoulders
It's gon be jus like I told ya
Baby I'm gon work you out

So what you wanna do you wanna get high you wanna
get fired up
So what you wanna do you wanna get sex you wanna
get tied up
Get yo rodeo ride up
Baby go lift them thighs up
I think you better wise up
Cause I'm about to ride up
