Last night, me and my dawgs were hangin' out  
Tired of bein' cramped up in the house  
We were simply celebratin' life  
Off from work today, so it's alright

But all those up and downs then began to twist  
Started dancin' with this model chick  
Then every record became our favorite song  
And that is all that I remember

'Cuz I had one too many drinks  
And ended up at the embassy  
With this pretty little thing  
From Memphis, Tennessee  
It was a one night extravaganza

When I woke up from last night's savagery  
Baby girl was layin' next to me  
Shoes and clothes were scattered everywhere  
I got dressed and got up outta there

But not before I called for me a cab  
Hungover from all the drinks I had  
Now I'm tellin' my story to you  
Everything that I remember

'Cuz I had one too many drinks  
And ended up at the embassy  
With this pretty little thing  
From Memphis, Tennessee  
It was a one night extravaganza

I had one too many drinks  
And ended up at the embassy  
With this pretty little thing  
From Memphis, Tennessee  
It was a one night extravaganza

Extravaganza, extravaganza  
Extravaganza, oh it was a extravaganza  
Extravaganza, yes it was  
Extravaganza, things that I remember

And I remember bein' at the bar, tryin' to ask what the  
hypno hit for  
Knowin' I can't afford to get Mo', here's a broke trick  
Buy one bottle and sip slow or, or leave the club now  
Do like I did, come back when you get dough, a fish  
stick

Now we messin' with lobster, we messin' with  
Grammy's  
We messin' with Oscar's, yeah, we messin' with that  
dranky drank  
Plus you puffin' on that stanky stank  
In the mornin' you gonna draw a blank

The hotel said ya'll was a hour  
My girl wouldn't know, I picked the wrong one  
Steady talkin' 'bout, I ain't like them other girls  
Well, tonight I'm tryin' to find them other girls

Bring they own rubber girl  
Never meet your mother girl  
You know they love it when you love them  
Then they tell they're friends, girl

I had one too many drinks  
And ended up at the embassy  
(You know they gonna blame it on the drinks)  
With this pretty little thing  
(They just use it as an excuse to do exactly what you  
want)  
From Memphis, Tennessee  
It was a one night extravaganza  
(J. Foxx, Kayne to the)

I had one too many drinks  
(And the winners are)  
And ended up at the embassy  
(It's BSP baby, there's a lot of black star power in the  
room right now)  
With this pretty little thing

From Memphis, Tennessee  
(Easy)  
It was a one night extravaganza  
(Easy please, baby easy)  
Calm down please, I had one too many drinks
