verse
got nothing but my t-shirt and boxers on
waiting for you to get home
its been sunny outside all day baby
I can't wait for it to storm

all on me)
that thunder from down under surrounding me
Coming down hard
Pounding me.

chorus
let me feel your rainndrops falling down
all over my love
I want it soaking wet
all over the bed
I want the rain to come
Let me feel your raindrops failling down
