From G's To Gents
It's pretty
So I know
How gonna go
From G's To Gents
Daddy one

Need change
My walk,
My talk, my style
From G's To Gents
How do I rupt
My hood, if a go
From G's To Gents

They wanna change
For my gangster
From G's To Gents

Come a play now
Straight to the coona
Wake up
My shop
Keep dress
Been in the street

Wanna place I'll over
From single body
Stop now
My toes
Every body
Talk the my home
Need you here
In yourself early great

It's pretty
So I know
How gonna go
From G's To Gents
Daddy one

Need change
My walk,
My talk, my style
From G's To Gents
How do I rupt
My hood, if a go
From G's To Gents

They wanna change
For my ganster

From G's To Gents

I don't know

Why I should know me I do what I got to do
So my fam. can need

So ganster, cause I got to be a gentleman eventually

It's pretty
So I know
How gonna go
From G's To Gents
Daddy one

Need change
My walk,
My talk, my style
From G's To Gents
How do I rupt
My hood, if a go
From G's To Gents

They wanna change
For my ganster

From G's

So ganster, cause I got to be a gentleman eventually
Ganster, all day and everyday...
No matter what the hell they say, eventually

It's pretty
So I know
How gonna go
From G's To Gents
Daddy one

Need change
My walk,

My talk, my style
From G's To Gents to gents
How do I rupt
My hood, if a go
From G's To Gents

They try to change
For my ganster

From G's

It's pretty
So I know
How gonna go
From G's To Gents to gents
They wanna
Change
My walk,
My talk, my style
From G's To Gents to gents
How do I know
My hood, if a go
From G's To Gents to gents

They wanna change
For my ganster

From a G to a gent
