Party in the Ipanema, baby!

I want to party
I want to samba
I want to party
I want to samba

I want to party
And live my life (my life)
I want to party (party)
And fly

Imma fly, fly just like a bird
(But you are a bird!)
Oh yeah, you're right,
So let me fly just like a rocket, then (ok)
Fly so high where I need to come down for oxygen
'Cause once we start it, baby, ain't no ain't no stoppin'
then

'Cause I just want to live my life, and party
All I want is to be free, and rock my body
Ain't nowhere around the world that I want to live my
life
Than in Rio, Rio, Rio realize

I want to party (party)
I want to samba (party)
I want to party (party)
And fly

I'm that samba, samba
Master, master, master
Master, master

Push out sounds
through my ghetto blaster, blaster,
Blaster, blaster, blaster
You dance fast,
But I dance faster, faster, faster
Faster, faster

You're too slow
You need to catch up

You can dance, and dance, but Iâ€¦

I want to party (party)
I want to samba (party)
I want to party (party)
I want to samba (party)

I want to party (party)
And live my life (my life)
I want to party (party)
And fly

(Instrumental Break)

Hey, hey, hey, hey, hey, hey

La yada yada yada ya
La yada yada yada yada yada yada ya

Hey, hey, hey, hey, hey, hey

(repeat)

Hey, hey, hey, hey,
