I know you see me lookin' at you  
And I know, he know you lookin' at me  
Well, damn

DJ, won't you play this girl a love song?  
She really needs to hear this freaky love song  
She's lookin' at me kinda hard  
I can tell that things ain't right on the home front  
What she really needs is a G like me  
To beat a beat, beat it, beat it

I can see how you want it, baby  
Wish ya man wasn't here with ya, baby  
I can see, curiosity, gotcha wanna try me  
Homeboy, can't please ya  
On this wall in the open, baby

You wouldn't care  
If the crowd was watchin', baby  
You want it, I know it  
Gotta notion to pull yo ass up outta here

Tell me, why he did you wrong?  
Need to get up with the Twista  
I been sippin' on Patron  
Stroke it when I hold them legs up

He can take you out to dinner and look like a playa  
I'm a give it to you good up in the elevator  
He be actin' all soft when he get in them draws  
I'm a break you off and fuck you up against the wall

Finna, move up in that slot 'cuz I'm somethin' he not  
And he don't know what he got, I'm in the drop top  
To get the twat I got a knot, no more runnin' from the  
cops  
Now I'm rollin' with Foxx because the block's hot

But I'm always a G 'cuz I come from the streets  
And I got heat for whoever thinkin' they want some  
No more fuckin' with them lames, now you rollin' with a  
thug  
So tell that nigga to beat it, beat it
