Got nothing but my t-shirt and boxers on
Waitin' for you to get home
It's been sunny outside all day, baby
I can't wait for it to storm

Wanna feel your raindrops fallin' down all the way
That thunder from down under surroundin' me
Comin' down hard, poundin' me

Let me feel the raindrops
Fallin' down all over my love
I want it soakin' wet all over the bed
I want the rain to come

Let me feel the raindrops
Fallin' down all over my love
I want it soakin' wet all over the bed
I want the rain to come

Lights out like a power outage
'Cause of the lightin' in your bedspring showers
I can feel the mist every time we kissed
Just didn't know a downpour like this

There's a flash flood warnin'
Till we wake up in the morning
There'll be puddles in the bed
The weatherman said, girl the rain is comin'

Let me feel the raindrops
Fallin' down all over my love
I want it soakin' wet all over the bed
I want the rain to come

Let me feel the raindrops
Fallin' down all over my love
I want it soakin' wet all over the bed
I want the rain to come

Girl, the weatherman said
It's cloudy skies, right there between your thighs

I'm pluckin' for scattered showers for about an hour
Rain on me tonight

Now let me love you
(It's all I wanna do)
Now let me kiss you
(All over you)
Now let me sex you, rain on me, yeah
(I just want you to)

Girl, let me feel the raindrops
Fallin' down all over my love
I want it soakin' wet all over the bed
I want the rain to come

Let me feel the raindrops
Fallin' down all over my love
I want it soakin' wet all over the bed
I want the rain to come

Let me feel the raindrops
Fallin' down all over my love
I want it soakin' wet all over the bed
I want the rain to come

Let me feel the raindrops
Fallin' down all over my love
I want it soakin' wet all over the bed
I want the rain to come
