Come on, come on, come on
Come on, come on, come on
Come on

Walked up in the spot like what
Gettin' love from the ladies and the thugs
I'm just tryin' to get this party to grind
So this'll be a night to remember

Ladies lookin' so damn alive
About 10 of them caught my eye
I might show them the time of their life
'Cause it's a special party tonight

Everybody in my party is VIP
We gon' sip champagne for free
A night of ecstasy's on me
Let the people in

'Cause everybody in my party is VIP
We gon' shop patron for free
Your night of ecstasy's on me
Come on

Niggas ain't been given no mugs
They just tryin' to get their cups filled up
With that juice that makes you want to fuck
'Cause the mood is so right in here

Ladies ain't been trippin' at all
She's been promising them drawers gon' fall
I might love her right in front of all y'all
'Cause it's all my party and I can do what I want to

Everybody in my party is VIP
We gon' sip champagne for free
A night of ecstasy's on me
Let the people in

'Cause everybody in my party is VIP
We gon' shop patron for free
Your night of ecstasy's on me

Come on

[Incomprehensible]

Halle Berry, Jada, Mary J. Blidge, the girl
And Latifah, Oprah tonight
All my homies with me
T. Cruise and Big Willy, Usher and P. Diddy
Dancin' somewhere tonight, tonight

Everybody in my party is VIP
We gon' sip champagne for free
A night of ecstasy's on me
Let the people in

'Cause everybody in my party is VIP
We gon' shop patron for free
Your night of ecstasy's on me
Come on
