Just for the night turned into much
You stop in my life, I don't want you
Just what I've said, but in my head
I know what I want
You're the... I be complaining
But I'm so afraid of love
I can't take it, I be hating
And you're everything I want

[Chorus]

Hate to love, love to hate ya
Hate to love, love to hate ya
Hate to love, love to hate
Love is good, but love's not great
Love is love and love can wait
Hate to love

I almost killed ya, damn I can feel
That I almost said it, I can't believe it
Damned if I do out, damned if I don't
Cause I know what I want
You're the... I be complaining
That I'm so afraid of love
I can't take it, I be hating
And you're everything I want

[Chorus]

Hate to love, love to hate ya
Hate to love, love to hate ya
Hate to love, love to hate
Love is good, but love's not great
Love is love and love can wait
Hate to love

Love and hate, hate today
You're to blame, drive to fade...
Pa pa pa pa pa pa, I love
Pa pa pa pa pa pa, I love
Uh, yeah, oh, whoa, whooaaa
Oho, oho, oho, oh, whoa
Oho, oho, oho, oh, whoa

I love to hate you baby
I hate to love you darling

[Chorus]
